## CROCUS EXPO INTERNATIONAL EXHIBITION CENTRE

*One of the most modern expo venues of the world  
The largest exhibition centre of Russia  
Unprecedented exhibit space totaling more than 900 000 sq m*

# UFI Membership Certificate

This is to certify that UFI full membership in the categories of "Exhibition Organizers" and "Exhibition Centres" has been granted to:

**Crocus Expo IEC**  
Moscow, Russia

Arie Brien  
President

September 2012

Crocus Expo was granted acknowledgement of international experts and it is ranked among the top ten the most famous expo venues of the world alongside with Messe Hannover and Messe Frankfurt (Germany) and Fiera Milano (Italy).

Crocus Expo is a full member of UFI, The Global Association of the Exhibition Industry, in categories Exhibition Organizers and Exhibition

Centres, the International Association of Congress Centres (AIPC), the Russian Union of Exhibitions and Fairs, the Guild of Exhibition and Fair Operators in the Moscow Chamber of Commerce and Industry.

The high status of the exhibition centre is proven by the fact that many foreign partners have chosen Crocus Expo as a platform for their projects implementation!

## CROCUS EXPO FORMS A SIGNIFICANT PART OF CROCUS CITY INFRASTRUCTURE

The visitors of the exhibition centre benefit from various facilities located in Crocus City territory. Crocus City features a trade and entertainment complex, shops and boutiques, a concert hall, restaurants, a yacht club, a hotel, free parking lots, a metro station and a customs office which

allow Crocus Expo guests to enjoy their time with maximum comfort.

What's more the exhibition grounds are located at a main arterial highways crossing and there is a metro station with exit doors directly to the pavilions.

## SCALE OF THE COMPLEX AND LIST OF SERVICES RENDERED TO EXHIBITORS AND ORGANIZERS OF EVENTS ARE BEYOND COMPETITION!

*Overall space of 911 300 sq m  
Indoor space of 692 300 sq m  
Outdoor space of 219 000 sq m*

There are 3 pavilions, 19 exhibition halls, 49 conference halls and outdoor area in the territory of more than 900 000 sq m. Unprecedented exhibit space and engineering facilitation allows holding events of different profile and scale including industrial trade fairs and international salons.

The variety of events hosted by Crocus Expo is impressive: exhibitions, fairs, congresses, conferences and scientific symposiums, corporate and entertaining events, sports competitions.

**CROCUS EXPO HOSTS MORE THAN 350 EVENTS ANNUALLY AND VISITORS FLOW IS ESTIMATED AT MILLIONS!**

## CREATING THE WORLD OF UNLIMITED POSSIBILITIES!

*Crocus Expo celebrated its 10<sup>th</sup> anniversary in 2014.*

The first Crocus Expo pavilion was inaugurated in 2004. It became a significant event in the Russian exhibition industry history which allowed a qualitative breakthrough on the world scene.

The doors of the second pavilion were opened in a year due to unsurpassed construction pace. Introduction of the third pavilion ranked Crocus Expo alongside with the world leaders what is proven by the Global Association of the Exhibition Industry (UFI) rating. More than 2 000 events were accommodated in Crocus Expo IEC during a decade of fruitful work.

The development of Crocus Expo, one of global

projects of Crocus Group president, is under way. The complex forming part of Crocus City, a multipurpose satellite town of Moscow, in 10 years became a national congress and exhibition platform aiming at effective business promotion and discussion of essential for economy and society issues. One of the success reasons is the synergy effect of Crocus City's infrastructure.

Considerable success has been achieved during the years of fruitful work and not less grandiose projects are to follow: the construction of hotels and a business center, development of transport accessibility and expansion of exhibition area.

## FACILITATION FOR EVENTS HOLDING

*According to more than 90% of foreign exhibitors Crocus Expo is the most perspective expo venue in Russia and it meets the highest standards set by the leading exhibition complexes worldwide.*

Crocus Expo architectural solutions and engineering facilitation allow hosting of industrial exhibitions and international salons including entertaining events of any scale.

The outdoor area opposite from the pavilions is perfect for accommodation of even the largest expositions, for arrangement of test drives, sports competitions and festivals.

*Exhibition halls are equipped with mobile partitions which can be easily dismantled. It allows adjusting expo space to meet any requirements and connecting of all necessary utilities.*

## CROCUS EXPO INFRASTRUCTURE

Well developed infrastructure of the International Exhibition Centre allows holding events of different profile and scale: from heavy industry trade fairs and up to luxury items exhibitions.

## CROCUS EXPO TODAY:

- Overall indoor space of 692 300 sq m;
- 3 pavilions interconnected by sky walks;
- 19 exhibition halls with soundproof adjustable partitions;
- Registration halls with bank branches and currency exchange counters, coat checks, taxi service counters and service centres;
- Food courts, café and restaurants (up to 9 500 seating capacity);
- 49 conference halls (Crocus Congress Centre) of various sizes and capacities including the unique concert and convention Crocus Congress Centre (Hall 20);

- VIP meeting rooms and press centre;
- Indoor parking;
- Outdoor area (219 000 sq m);
- Free parking lot (35 500 car slots);
- Aquarium Hotel\*\*\* (225 rooms in several categories, Pavilion 3);
- Myakinino metro station with direct access to Crocus Expo pavilions;
- Customs office for customs clearance right on-site;
- Heliport.

## PAVILION 1

Opened in February 2004.

4 exhibition halls, divided by soundproof movable partitions, 4 conference halls and 5 meeting rooms. If necessary partitions between halls are easily dismantled for the organization of larger expositions.

## PAVILION 2

Opened in September 2005.

7 exhibition halls, 9 conference halls, 5 meeting rooms.

## PAVILION 3

Opened in August 2007.

8 unprecedented in terms of space exhibition halls, 36 conference halls with mobile partitions, 14 VIP meeting rooms, an underground parking, a rooftop parking, a multilevel concert facility Crocus City Hall (6 200 seats), Aquarium Hotel (a cozy 3\* hotel, 225 rooms).

## MYAKININO METRO STATION

Opened in December 2009.

Myakinino is the first in Russia metro station which construction had been financed by a private investor (Crocus Group) and it became the first metro station located outside the capital boundary.

Crocus Expo space provides the perfect opportunity to spend time with maximum comfort and convenience, to work and relax in its territory. Wi-Fi zone, food courts and restaurants, taxi, ATMs and bank offices are available for the guests of the complex.

There are also Crocus City facilities (Crocus City Concert Hall, Aquarium Hotel, VEGAS Trade and Entertainment Complex, Crocus City Mall, Tvoy Dom one-stop mega store) which are interconnected with sky walks.

Extra advantage of Crocus Expo is its improved transport accessibility. Exhibitors and visitors have many transportation means at their disposal: the venue is located at the intersection of arterial highways and the Moscow City Motor Ring (it is also planned to build an exit roadway from the complex to Piatnitskoye shosse), a metro station with exit doors directly to the pavilions, a pedestrian bridge over the Moskva river in Pavshino meadow and a heliport.

## EVENTS IN CROCUS EXPO

Crocus Expo hosts more than 350 events each year. The portfolio of the exhibition center features projects with international status recognized by leading experts and organizations worldwide. The events are of critical significance for the development of various branches of economy and social sphere in our country.
